- Find the best way to search for a soul mate, or even just a fabulous date.
- Get some insight into those things you do that get in the way of outrageously successful dating.
- See new ways to have a great time being single in the meantime.

Examples:

- Are your daily activities and routines helping or hurting your love life?
- You can't be a couch potato and have an exciting love life.
- Analyze your life in terms of its environment. Are the things around you helping you toward success-or are they holding you back?"
- Did you know that most people marry someone who lives within an eight mile radius of their home?
- If you are looking for love, this should inspire you to get out among your neighbors.
- If, however, you don't like your neighbors, it may be the right time to consider moving to a neighborhood that has more singles.
