Slow Burn

Tyler Blake is making quite a name for himself in the racing circuit and has everything he's ever wanted-- fame, the support of his family, and hot women clamoring for his attention. But he can't get a certain bookseller out of his head. The passionate night he spent with Michelle Bradley on the eve of his brother's wedding still haunts him. He's too busy living the dream to want commitment, but when he hears Michelle is seeing someone, it bothers him more than he's willing to admit.

Michelle Bradley is making some major changes in her life. Fed up with months of pursuing the elusive Tyler Blake, she's ready to throw in the towel. But when a cooking class inspires Michelle to funnel her passion into the fine art of cuisine, she finds a new outlet: writing a food blog. Until a glimpse of Tyler on television kissing a woman after a big win sends her into a tizzy. With the help of the Blake women, Michelle kidnaps Tyler and takes him to a secluded cabin so they can have it out once and for all. She hopes the fabulous meal she's prepared will entice him to stay, at least long enough for dessert...

Cowboy's Heart

"Reconciling the past. Speeding toward the future. Can a cowboy's heart survive the now? "

Country singer Tate McGill has never been happier. He's engaged to Isabelle, the woman of his dreams, and his music career has shot him straight to the top. With his adopted Blake clan gathered in Las Vegas for the last leg of his world tour, Tate's excited to announce his engagement. But his excitement is bittersweet. Isabelle has found a collection of beautiful, unpublished country songs by Tate's late birth mother and a lifetime's worth of letters between her and his adopted mother, Teri-Lyn, matriarch of the powerful Blake family. Tate's given all he has to overcome his abusive past and build a future for himself and Isabelle, but he's not sure if his birth mother's words will bring him closure, or more pain.

Isabelle Reed has a wonderful secret-and terrible timing. She's engaged to her sexy country music star, Tate McGill, and she's finally able to play her violin professionally again. But best of all, she's pregnant! Unfortunately, her timing couldn't be worse. Tate's afraid to have children, fearing he'll perpetrate the cycle of abuse he suffered as a child. And with the shadows of his birth mother's letters, and Isabelle's disapproving father coming to meet "that cowboy," Tate has enough on his plate. His entire career is riding on this last gig of his tour and on the film that's being made about him and his band. He can't be distracted by the ghosts of his past that Isabelle knows her news will raise. If she can just hide her morning sickness until after Vegas...

Tempting Fate

"Love can heal the most stubborn heart..."

Attorney Channing Blake is looking forward to a new chapter in his life. He's graduated law school in Washington, DC and has returned home to the Twelve Horseshoes Ranch to take a job with Blake Enterprises. But he's not the only one who's back in town. Emma Winterbourne, his on-again, off-again girlfriend, has failed to make it in the Big Apple and is back in Texas, looking to pick up where she left off

with good old Channing. Although the chemistry between them has always burned hot, Channing isn't sure he wants to be her whipping boy any longer.

When he heads back to DC, a chance meeting with the beautiful Cassidy Shaw dredges up all the old feelings he'd felt for her in law school. He'd dated her once or twice, but she'd mysteriously disappeared without a word. Now, with Cassidy right there, looking at him with the same longing he was feeling, he knew he owed it to himself to follow his heart. But when Cassidy disappears again and won't take his calls, he knows something isn't right. Cassidy is keeping something from him, and he's not above using Blake resources to find out what.
