Born to the most powerful priestess in ancient Ireland, Conor of Ulster's conquests on the battlefield are legendary. Conor knows he is no ordinary man, but some whisper that he's not human at all. The daughter of a vanquished king, Brigid of Morna is exiled from her clan because of her gift of prophecy. She's the only soul who can reveal the mysteries of Conor's birth—but only if she submits to the warrior who conquered her clan and killed her brother. As both are caught in the enchantment of their wooing, Conor defies his own people to make Brigid his queen—until a shattering act of treachery destroys their world. Driven to the ends of the earth, Conor lives a thousand lifetimes in the fading hope that—one day, somehow—he'll get a chance to love her all over again.
