Winter Meditations

John Bartunek

Winter Meditations John Bartunek

The last in a series of four seasonal meditations books, *Winter Meditations* explores religious topics in the context of modern-day living. The 12 reflections in this book follow the calendar season, rather than the liturgical season, with one reflection written for each week of the calendar year. Reflection questions will be provided for each week, to take the reader even deeper so they can apply the reading to their own life.
