Families of the Bible: A New Perspective (Psychology, Religion, and Spirituality) Kamila Blessing

Reinterpreting the Bible through Family Systems Theory, this fascinating exploration shows how the theology of creation, restoration, and salvation can be meaningfully and uniquely understood through the lens of the biblical family.

- Uses family systems theory in a way that will be accessible for the layperson, as well as scholars and clergy
- Includes genograms and other family diagrams
- Offers original interpretations of family stories throughout
- Cites specific biblical examples
- Includes an appendix demonstrating the use of Family Systems Theory as hermeneutic
