Savior Sierra Riley

"Can't you see I need help?"

"What the hell is wrong with me?"

Detective Steven Mason was in his prime. From the Army to the NYPD, he gave it his all, until a stray bullet from a rookie cop put his whole life on hold. After all the surgeries to patch his shoulder back together, Steve's only chance at holding a gun and a shield again lie with his physiotherapist - the guy Steve bailed on back in college.

"You did this, and you're going to have to be the one to fix it."

Adam Little lives the perfect life. New York's best physiotherapist, he runs a private practice and rents a fancy new apartment overlooking the Hudson river. He gets what he needs from hook-ups and goes right back to work the next day. Except today. Today hurts. Today is the day Steve Mason walks back into his life, and Adam isn't ready to forgive him.

"I am your best hope."

Parted by fear, bound together by need, both men must overcome their pain if they're to find a better future. But can they work together to truly heal the scars of the past, or will their deep-seated wounds tear them apart forever?

Savior is a steamy, standalone gay romance novel with a HEA and no cliffhangers.
