Charles Lamb, Mary Lamb

Shakespeare for Children (Unabridged Classics in Audio) Charles Lamb, Mary Lamb

Originally written to be an "introduction to the study of Shakespeare," Shakespeare for Children is much more entertaining than that—some of Shakespeare's best-loved plays, comic and tragic, are retold in a clear and robust style. Charles and Mary Lamb introduce children to the magic of Shakespeare with these ten favorite tales. Although simplified, these stories don't underestimate young readers; they keep the complexity, twists of plot, and turns of fate found in the originals. And their literary quality has made them popular and sought-after ever since their first publication in 1807. Included in this edition are: -"The Tempest" -"A Midsummer Night's Dream" -"Much Ado About Nothing" -"King Lear" -"Macbeth" -"The Taming of the Shrew" -"Twelfth Night; or, What You Will" -"Romeo and Juliet" -"Hamlet, Prince of Denmark" -"Othello"
