The Biggest Game in Town

Al Alvarez

The Biggest Game in Town Al Alvarez

Al Alvarez touched down in Las Vegas one hot day in 1981, a dedicated amateur poker player but a stranger to the town and its crazy ways. For three mesmerizing weeks he witnessed some of the monster high-stakes games that could only have happened in Vegas and talked to the extraordinary characters who dominated them--road gamblers and local professionals who won and lost fortunes on a regular basis.

Set over the course of one tournament, *The Biggest Game in Town* is both a chronicle of the World Series of Poker--the first ever written--and a portrait of the hustlers, madmen, and geniuses who ruled the high-stakes game in America. It is a brilliant insight into poker's appeal as a hobby, an addiction, and a way of life, and into the skewed psychology of master players and fearless gamblers. With a new introduction by the author, Alvarez's classic account is "the greatest dissection of high-stakes Vegas poker and the madness that surrounds it ever written" (*TimeOut* [UK]).

From reader reviews:

Gary Farrell:

What do you think of book? It is just for students since they're still students or this for all people in the world, exactly what the best subject for that? Simply you can be answered for that concern above. Every person has distinct personality and hobby for each and every other. Don't to be forced someone or something that they don't need do that. You must know how great in addition to important the book The Biggest Game in Town. All type of book can you see on many methods. You can look for the internet options or other social media.

Michael Pabon:

Nowadays reading books are more than want or need but also work as a life style. This reading behavior give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book which improve your knowledge and information. The information you get based on what kind of guide you read, if you want drive more knowledge just go with schooling books but if you want truly feel happy read one using theme for entertaining such as comic or novel. The actual The Biggest Game in Town is kind of reserve which is giving the reader unforeseen experience.

Kathleen Knight:

Your reading 6th sense will not betray you actually, why because this The Biggest Game in Town e-book written by well-known writer whose to say well how to make book that may be understand by anyone who have read the book. Written within good manner for you, dripping every ideas and publishing skill only for eliminate your own hunger then you still uncertainty The Biggest Game in Town as good book not just by the cover but also by the content. This is one book that can break don't ascertain book by its protect, so do you still needing a different sixth sense to pick this specific!? Oh come on your reading through sixth sense already said so why you have to listening to another sixth sense.

Pamela Stanley:

What is your hobby? Have you heard in which question when you got students? We believe that that query was given by teacher to their students. Many kinds of hobby, Every person has different hobby. Therefore you know that little person including reading or as reading become their hobby. You need to understand that reading is very important along with book as to be the issue. Book is important thing to incorporate you knowledge, except your teacher or lecturer. You discover good news or update about something by book. A substantial number of sorts of books that can you choose to use be your object. One of them are these claims The Biggest Game in Town.
