*The Vampire Tarot* ties the tales and mythic figures associated with the vampire legend to the equally iconographic figures and forms of the tarot. This deck is a beautifully rendered, fully realized tarot, capable of providing a clear reading to those that use it. But beyond that, it explores the history of the vampire starting with Bram Stoker's classic 1897 novel, *Dracula*, as well as those writings that inspired Stoker and the vampire lore that derived from it. Stoker and his most famous work were both closely tied to the classic Rider-Waite-Coleman tarot.

Now, author-illustrator Robert M. Place brings these two mythic traditions together in this soon-to-be classic tarot. Included is a four-color, fully illustrated seventy-eight card deck, and an extensively researched book that guides the reader through the subtleties and parallels within *The Vampire Tarot*, providing a guide for getting the most out of reading.

Sure to delight not only tarot devotees but the general fan of the vampire mythos as well.
