End Times Prophecies A Catholic Perspective: Church Prophecy, The Bible, The Mystics, & Saints

Michael Freze

FROM A BESTSELLING AUTHOR and recognized scholar. A Catholic perspective on end times prophecies. Includes end time Bible prophecy on the chastisement, three days darkness, the tribulation, the Antichrist, and the second coming of Christ. Ancient and recent prophecies from the Bible, the mystics, and the saints. Unlike countless books today which deal with current world events related to prophecy predicting specific dates for the rapture and the return of Christ, this book sets the background on prophetic messages throughout Church history in a well-balanced, informative manner. An inspiring read! A recent endorsement: "I have to say that of the many books I have read (having multiple degrees in theology -including my Doctorate from Columbia University) your "They Bore the Wounds of Christ: The Mystery of the Sacred Stigmata..." is one of my all time favorites. In fact not only do I continue to refer to it, but there are certain passages that you explain that could only be attributable to infused divine inspiration. Please continue to write ... Peace, Deacon Mike Vicinanza" (April 17, 2016).
