Emily Seeks Out The Traveling Preacher, is the emotional story of a Southern woman, right before the Civil War, who is determined to find a childhood sweetheart in a traveling preacher. When he told her that his life was being an evangelist and that traveling across the country wasn't exactly a good life for a Southern lady, she told him that she wanted to join him in his ministry as she had attended school and learned all about preaching. That didn't suit him and he returned to Colorado. Even though sick, she began her travels to find and then marry him, by stagecoach, train, then eventually via wagon train along the Oregon Trail, accompanied only by a freed slave. By The Grace Of God: June Finds Rico On The Prairie, is about the oldest of six children who, with their mother in frail health and their father gone for weeks, finds a severely wounded man on the prairie as she takes her normal early morning ride. With the help of her siblings and mother, June manages to get him back to their ranch to try to heal him. As the time when her father is to return approaches, all wonder what will be thought of the man who June has grown fond of, and if he'll be allowed to stay a while longer.
