Florence Nightingale at First Hand

Lynn McDonald

Florence Nightingale at First Hand Lynn McDonald

Florence Nightingale is one of the most famous figures in modern history, yet questions have been raised as to her real achievements. Much of what we know of her emanates from unreliable second-hand accounts and from a misreading of the primary sources.

Based on her writings, *Florence Nightingale at First Hand* lets the legendary founder of nursing and heroine of the Crimean War speak for herself. Author Lynn McDonald is the editor of the *Collected Works of Florence Nightingale* (WLU Press) and the world's foremost Nightingale authority. Chapters relate Nightingale's background, her faith and political creed, her work during Crimean War and its aftermath, on later wars, and on reform in nursing, health care, midwifery, workhouses, hospitals, and India.

Published to commemorate the centenary of Nightingale's death, this book presents a Florence Nightingale for the twenty-first century: she was a prodigiously astute researcher, a bold systems thinker, and a witty writer well connected with political and intellectual leaders. Her passionate dedication to her causes shines through her writing, making this book a great read.

From reader reviews:

George McDaniel:

Do you have favorite book? For those who have, what is your favorite's book? Reserve is very important thing for us to find out everything in the world. Each guide has different aim or even goal; it means that reserve has different type. Some people really feel enjoy to spend their time to read a book.
