Friedrich Nietzsche

Human, All-Too-Human (Parts One and Two) Friedrich Nietzsche

Human, All Too Human is a book by 19th century philosopher Friedrich Nietzsche, originally published in 1878. Reflecting an admiration of Voltaire as a free thinker, but also a break in his friendship with composer Richard Wagner two years earlier, Nietzsche dedicated the original 1878 edition “to the memory of Voltaire on the celebration of the anniversary of his death, May 30, 1778.” Within his lifetime, prior to his mental breakdown in 1889, few of Nietzsche’s books sold particularly well, and Human, All Too Human is no exception. Most notoriously, Human, All Too Human was used by archivist Max Oehler, a strong supporter of Hitler, as supposed evidence of Nietzsche’s support for nationalism and anti-Semitism, both of which he writes against. Oehler wrote an entire book, Friedrich Nietzsche und die Deutsche Zukunft, dealing with Nietzsche and his connection to nationalism (specifically National Socialism) and anti-Semitism, using quotes from Human, All Too Human, though out of context. Nietzsche would speak against anti-Semitism in other works including Thus Spoke Zarathustra and, most strongly, in The Antichrist: “An anti-Semite is certainly not any more decent because he lies as a matter of principle.” In Zarathustra, Nietzsche set up Wagner as a straw man, lampooning his anti-Semitism in the process. It wasn’t until much of Walter Kaufmann’s work in the 1950s through the 1970s that Nietzsche was able to shed this connection with nationalism and anti-Semitism.
