Modernism and Its Merchandise: The Spanish Avant-Garde and Material Culture, 1920-1930 (Refiguring Modernism) Juli Highfill

The writers and artists of the Spanish avant-garde, enthralled with the streamlined, mass-produced commodities of the Machine Age, incorporated these objects into their literary and visual works. In doing so, they launched a broad inquiry into the relations between mind and matter, people and things, words and world. In *Modernism and Its Merchandise*, Juli Highfill traces that dissonant but productive line of inquiry by focusing on the objects of obsession for the Spanish vanguardists—starting with the fruit bowls of cubist still life; continuing with the merchandise, machines, and fashions of the 1920s; and concluding with objects of ruin and decay. The trajectory moves from the natural to the technological domains, from the newfangled to the outmoded. Throughout this study, objects appear ever in motion, engaging and altering their human subjects—whether as objects of exchange, as prosthetic organs, or as triggers for powerful affective responses, such as appetite, taste, and disgust. The insights that arise from these encounters with material things anticipate the knowledge emerging today in the fields of material culture, technology studies, and network theory.

This book which can be qualified as The Hungry Hillside can get you closer in turning out to be precious person. By looking upward and review this guide you can get many advantages.

Amy Joshi:

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful photos on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Modernism and Its Merchandise: The Spanish Avant-Garde and Material Culture, 1920-1930 (Refiguring Modernism) can make you truly feel more interested to read.
