## **Stories from the Battlefield: A Beginning Guide to World War II Research** Jennifer Holik

All the records burned! We hear this over and over when we think about World War II research. Yet there are many records and resources available to get you started. In this short guide, you will learn the basics of World War II military research and what to look for in your home sources. Then we will explore components of personnel files, death records, and other associated records in this short book. This guide is meant to be a starting point for World War II research, not an exhaustive examination of all the military branches and records available. For an in-depth examination on World War II records, check out my *Stories from the World War II Battlefield Volume I: Reconstructing Army, Air Corps, and National Guard Service*.
