A pretend engagement suddenly becomes *very real...and dangerous*

When Tahra Edwards sees a suspicious knapsack near a school yard, she leaps into action...and saves children from a bomb. But upon awakening in a hospital, Tahra discovers she's lost her memory—including any recollection of the handsome military captain who says he's her fiancé. A charming alpha hero who seems to be hiding something...

As a high-level bodyguard, Marek Zale knows that a ruthless terrorist organization will stop at nothing to silence Tahra—his *ex*-girlfriend—permanently. To protect her, he must be by her side around the clock. And though he may not be telling her the truth about their engagement, their love for each other was always true...as is the danger threatening them both!
