Cindy Woodsmall

**Reeling from an unexpected betrayal, can Sylvia find relief from the echoes of her past...or will they shape her future forever?**

Although Sylvia Fisher recognizes that most Old Order Amish women her age spend their hours managing a household and raising babies, she has just one focus—tending and nurturing the herd on her family’s dairy farm. But when a dangerous connection with an old beau forces her to move far from home, she decides to concentrate on a new start and pour her energy into reviving another family’s debt-ridden farm.

After months in rehab, Aaron Blank returns home to sell his Daed’s failing farm and move his parents into an easier lifestyle. Two things stand in his way: the father who stubbornly refuses to recognize that Aaron has changed and the determined new farmhand his parents love like a daughter. Her influence on Aaron’s parents could ruin his plans to escape the burdens of farming and build a new life.

Can Aaron and Sylvia find common ground? Or will their unflinching efforts toward opposite goals blur the bigger picture— a path to forgiveness, glimpses of grace, and the promise of love.
