This field guide contains a collection of photographs of everything you need to identify a tree - whether in winter, spring, summer or autumn. Every species has a photograph of a whole tree, plus close-ups of its bark, buds, leaves, male or female flowers, and fruit. The photographs are backed up with text describing what to look for to differentiate one similar looking species from another. It covers over 800 species of tree - every species that is native to Europe, plus all the species that are commonly planted in parks and gardens.
