5 Book Series- African American Romance Urban Fiction... and Lesbian Erotica Thirty-three, female and successful would be the words one would use to describe Shonda Williams. The self-made woman who has never relied on pity or sympathy was also headstrong, fierce, and domineering. Through the looking glass, Shonda's life is what everyone dreams of, but can almost never have – a beautiful career, a beautiful man by her arms, and a self-assuredness that can never be shaken by even the most devastating remarks. Life is tough for Shonda who has had to maintain a veneer to her true identity. She knows that to have the life that she wants, she will have to conform to the ideas and opinions of those around her. No one takes too kindly, especially in the corporate world, that an African-American lesbian is running the show. But, when she finds herself careening towards a female artist from a Sexual Liberalism Art Show, Shonda is forced to rethink the walls that she had built for herself for the past decade. Will she put her six-figure income job, her gorgeous boyfriend, and the respect of others, on the line just to be true to herself? Find out the answer in this story of African American lesbian sex, erotic teasing, drunken debauchery, and two black women exploring the heights of passion together.
