## **Loving Encouragement to Flee Worldliness (Family Guidance) J. R. Beeke**

In this installment of the Family Guidance series, Joel R. Beeke presents a heartfelt plea for the renewal of family worship in Christian homes. The family is modeled after the very being of God, providing a divine foundation for family worship from creation. This is not a mere idealistic suggestion for the godly family, but is presented in Scripture as a solemn duty. With great pastoral care, the author gives valuable insights into implementing family worship, answers common objections raised against it, and motivates the reader to follow through with it faithfully.
