"I have known Jim for several years. While I was a pastor at Faith Bible Church in Glendale, AZ, overseeing adult ministries, Jim was teaching some classes. I also referred people to Jim as a counselor. Jim has a special heart and giftedness in helping people. I have seen his counseling heal the lives of individuals and marriages. I consider Jim a personal friend and am always uplifted when we have the opportunity to speak. He has a practical biblical approach to the situations of life and is a gifted leader and teacher. If you are considering participating in an event that Jim is leading, I highly recommend your attendance. He has a way to transmit God's message that you will be able to understand and apply. If you have the opportunity to have Jim coach you personally, I believe your life will be changed for the better in ways you can't even imagine. I fully support Jim in his ministry efforts. I believe he has a great impact for God's Kingdom with the people he serves. I welcome anyone to contact me if they would like to discuss further."

"Biblically accurate, inspiring, challenging and authentic -- that's Jim Johnson and the Ministry of Keys4. This seminar is not an event, this is an encounter that left us with not only changed lives and marriages, but also with the sweet fruit of a changed church. Jim is an authentic person commissioned by God who gets in underneath the Christian leader to lift up and add value and quality to every area of that church or ministry. It's like having lunch with a friend and the Holy Spirit is speaking right to you, seeing right through you, touching your very soul."
