In golf, it's called "unconscious confidence". No thought. To get there you have to know everything, then forget it. Try to stay in the Zone as long as you can. Like anything this takes practice. After a while it's an acquired skill, click on, click off...like karate. Take inventory later. First, clear your plate. Take out the trash, do your homework, pay bills, whatever. Eliminate your barriers for a more lengthy session. The idea is quality. If you can spend (5) good minutes coloring that's great, (30) minutes in the coloring zone...even better.
