## **Windows Vista and Internet for Children: The Best Book About Computers for Kids Grade 3 and Up (Computer Books for Children) Studio Visual Steps**

Engaging and visually pleasing, this computer guide goes beyond chatting and gaming to present practical, step-by-step instructions to teach kids the basics of Windows Vista and the internet, such as how to copy and paste and save files to a hard drive. Expanding children's understanding of this important and rapidly changing technology, the resource reveals essential advice on navigating Windows Vista, finding quality information in internet searches, working with text and pictures, learning netiquette and online safety, and grasping the finer details of Myspace.com, YouTube.com, and messenger clients. A companion website is also provided for additional support.
