By the end of this workbook, you will have the basis for a VAWA/Campus SaVE Compliance Portfolio that includes all required policies, procedures and documents. As part of the 2013 reauthorization of the Violence Against Women Act (VAWA), the Campus Sexual Violence Elimination (SaVE) Act was added, and as of July 2015, every academic institution that disseminates Title IX federal funds is required to implement a Campus SaVE Program. Compliance with these laws is essential to ensuring your institution of higher education remains eligible to disseminate Title IX funds in the form of student loans. This workbook uses the accelerated Done In A Day® model to prepare plans and materials that need to become operational immediately. Each chapter includes: • Sample language • Outlines of content that must be included in specific documents • Action items designed to facilitate the preparation of essential materials • A list of resources, including documents in the public domain that can be adapted and modified for use at your institution

Campus SaVE Compliance: A Workbook for Creating & Implementing Your Campus SaVE Program, by Dr. Peggy M. Jackson, contains all the key components necessary to implement your Campus SaVE Program and ensure your institution complies with VAWA/Campus SaVE.
