Matón is a mother fuckin Vato Loco from the Big Bad 18th Street Gang in Los Angeles. He just got out of prison, and is tasked with setting up a meth distribution network in Michigan. Things get crazy when a dirty cop tries to rob him. He smokes the pig, but now more pinche putos are investigating the missing cop, and he's gotta smoke them too! Add to that all the set trippin fools from other gangs who are competing for the same street corners, and the schooling of the new recruits on how to stay out of jail and make real money, and Matón barely has enough time to have kinky three-way sex with sluts and nymphos! Matón HATES cops, and as his new set the Tiny Malos learn about high explosives and booby traps, they focus on destroying the sworn enemy of all street gangs and drug dealers- the police. This book is dedicated to the hard-core pistol packin REAL VATOS, who live for the game. And all the cops, faggy wannabe gangsters and snitches can suck a big fat verga!
