Parent's Ultimate Education Guide: Seven Secrets of How to Study Dr. Stephen Jones

Dr. Jones is traveling around the country to make a difference in the lives of struggling parents. Parents are confronted with challenging choices because they do not know the essential study skills students must know to succeed. Students are locked into a downward spiraling pattern because their parents were not trained to create an effective study environment at home. Parents can see how their children's future potential to enter college is unraveling right before their eyes and they are frustrated. Dr. Jones agrees with Bill and Melinda Gates who are spending a billion dollars to create alternative schools that offer innovative instruction and parent involvement. The future can be reinvented and we can put a jolt into a national school system where parents feel disenfranchised. Dr. Jones new book is one way he has made a commitment to reaching the thousands of parents who are determined that our nation children will not be second rate global citizens.
