Self-Organizing Men: Conscious Masculinities in Time and Space Mr Jay Sennett

A man is man because he says he is. Self-Organizing Men - through poetry, visual images, prose and humor - seeks to understand how paradox and the failure to cohere to a unitary self creates opportunities for sustained connections to sexual love, the penis, childhood, and vulnerability as well as disrupts traditional transsexual narratives of masculinity and the gendered body. Contributors include: Eli Clare, Scott Turner Schofield, Tim'm T. West, Dr. Bobby Noble, Nick Kiddle, Eli VandenBerg, Jordy Jones, Doran George, Aren Z. Aizura, and Gaylourdes. Editor Jay Sennett is an award-winning author, screenwriter and filmmaker.
