## **The Edinburgh Companion to the History of Democracy: From Pre-history to Future Possibilities**

Takes a fresh look at the history of democracy, broadening the traditional view with previously unexplored examples. This substantial reference work critically re-examines the history of democracy, from ancient history to possible directions it may take in the future. 44 chapters explore the origins of democracy and explore new - and sometimes surprising - examples from around the world. Each of the 9 parts introduces the period, followed by 3 to 7 case studies.
