Traveller Core Rulebook Gareth Hanrahan

Traveller is back, and it is better than ever! Based on the Classic Traveller rules set, this book has been streamlined for modern roleplaying, and yet still retains that unmistakable Traveller aura. With complete rules for character and world creation, spaceships, encounters and trading, it is your gateway into new universes. The Traveller Main Rulebook is the cornerstone of all your Traveller games, to be expanded upon with core supplements such as Mercenary and High Guard, or used with different settings like Starship Troopers, Judge Dredd and, of course, the Original Traveller Universe. Written by Gareth Hanrahan, the Traveller Main Rulebook contains many things fans of the classic game will find familiar, but always with a new twist Traveller has come back. Discover what is out there.
