Fine As We Are

Algy Craig Hall

Fine As We Are Algy Craig Hall

Little Frog was living happily with his mom on the pond—just the two of them. Then some strange things began to happen: blobs of black spots appeared in the water, which grew squiggly tails and started swimming. Before too long it's very clear: mom has a multitude of new frog babies. How will Little Frog *ever* cope?

In his first picture book, author and artist Algy Craig Hall has crafted a gentle, charming, and witty story that shows exactly what it means to be a good big brother. Thoroughly delightful illustrations—many featuring a deluge of tiny frogs leaping, dancing, somersaulting, and flying across the page—add to the joy.
