New to the Fifth Edition:

- **Updates and Revisions:** Research examples have been updated throughout the text, with many that have been added from international researchers. All end-of-chapter exercise sets have been updated. Techniques for searching and reviewing the literature and Web sites have been updated and more guidance is provided on writing the literature review. In addition, many chapters have been streamlined and reorganized for greater clarity, including those on

measurement and causation and research design.

- **Secondary Data Analysis and Content Analysis:** A new chapter introduces the logic and limitations of secondary data analysis, available data sources, procedures for using ICPSR datasets, the Human Relations Area Files, and more information on content analysis.
- **Qualitative Data Analysis:** New sections have been added on conversation analysis, ethnomethodology, case-oriented understanding, and visual sociology. A special section on computer-assisted qualitative data analysis introduces the HyperRESEARCH software that accompanies the text.
- **Theories and Philosophies for Research:** A revised and streamlined chapter uses international research on immigration and ethnic conflict to illustrate functionalism, conflict theory, and symbolic interactionism and to contrast positivist and interpretivist research philosophies. Unique among methods texts, this chapter emphasizes the importance of social theory and research philosophy as a foundation for social research.
- **Research Ethics:** New sections have been added in some chapters and the discussion of the role of the IRB in the third chapter has been expanded.

Accompanied by High-Quality Ancillaries!

- **Instructor Resources on CD:** provides test questions, PowerPoint slides for lectures, suggested assignments, and a review of course organization options.
- **Student Study Site at www.pineforge.com/isw5:** includes journal articles, flash cards for practicing terminology, online quizzes, and much more!
 - Now with *interactive exercises on the study site* (from the student CD) - for easier access and use by students
- **Student Resources CD:** bundled with the book, contains wide-ranging data sets and interactive exercises to help students master concepts and techniques.
- **HyperRESEARCH software:** includes software for qualitative data analysis.

Click on 'Sample Materials and Chapters' at left to access the GSS Mini Data Files. You need access to the Student SPSS program to use these data sets. These GSS Mini Data Files replaces the data set currently found on the Student Resource CD.
