Pennsylvania Civil Practice, Fourth Edition, integrates the most relevant, accurate, and up-to-date case law with the Pennsylvania Supreme Court's latest Rules of Civil Procedure and practice, referencing Pennsylvania Statutes and Consolidated Statutes, and now offering "practice notes" that guide attorneys through everyday dilemmas, beyond a simple reading of the Rules. The publication compliments electronic research by providing summaries, references and pathways to the LexisNexis (tm) Total Research System. The Fourth Edition includes a completely revised index and tables of cases and statutes for expedited research.
