This is the first volume in an ongoing series of gay erotica bundles featuring **interracial sex and Middle-Eastern men**. These sexy Turks and Arabs are as hot as their native lands, and their outrageous man-on-man action will leave you breathless and satisfied!

The Yankee Stud, the Turkish Wrestler and Insufferable Pride - Adrian is a soldier in the US Army who has been trained to do a lot of things he would never want to do. But when he's assigned to a joint Turkish mission, the only American on a foreign base, he has no idea what he's in for! He's living with dozens of macho Turkish men who have very unusual (for Adrian) ideas about acceptable man-on-man contact. One of them in particular, Kemal, thinks nothing of close touching and constant nudity. Kemal even urges Adrian to participate in a type of oil wrestling that pushes Adrian even further across his own personal line of heterosexuality.

The Irontop Gym of Riyadh, Saudi Arabia: Arabs Downlow - Wilson Tipper opens up new markets for the Irontop Gym chain of male fitness centers. He's an openly gay man, so he knew moving to Saudi Arabia would entail some compromises and more than a little risk. But when he finally does open, virtually no one signs up! One person who does come in is Prince Faisal, a Saudi royal who never goes anywhere without his bodyguard, Mohammed. Faisal demands service from everyone around him, including both Wilson and Mohammed; he doesn't like homosexuality, but when he needs to get his nut off, he'll do it wherever he can! This is an incredible story of male domination and submission in modern Saudi Arabia.

Love and Lust Between Men Beneath the Kisbet - Fahri and Demir are two young Turkish men who are deeply in love with each other. But their homeland doesn't accept the kind of passion they share, and so they stay hidden as long as they can. Both are local amateur oil wrestlers, giving them plenty of excuses to grapple each other, and scores of muscle-bound Turkish jocks, without attracting too much attention. At first. But their love can't withstand the weight of public opinion, so when their privacy is threatened, Fahri and Demir have to find a way to save themselves, and each other!
