Sourone, the Dank lord of Bad-Odour, is on a mission to reclaim his lost nose ring from his Goth days. To prevent this, stage magician and estate agent, The Grand Alf, enlists the help of several half-witted Halbbits, a drunken Elf, a smelly Dwarf with a fake beard, and two men with the intellect of a single shop dummy between them. No wonder people are fleeing to the Uncrying Lands.

Mark Egginton has lived and breathed The Lord of the Rings for decades (he literally has a copy of the book stuck to his face). His love and knowledge of it has been poured into this parody in a truly unique way. Quick wit and sharp humour will accompany you on this quest to Mount Gloom.

Dare you join in?
