Named One of the Top 10 Novels of 2016 by *The Wall Street Journal*

“Brave...Brilliant...This is a book that makes one kneel before the elegance of the human spirit and the yearning that is at the essence of every life.” *The New York Times Book Review*

"This may be the shortest book I read all year but it lodged in my brain more than almost any other."
?Ari Shapiro, NPR (Best Books of 2016)

Two and a half decades into a devastating civil war, Sri Lanka's Tamil minority is pushed inexorably towards the coast by the advancing army. Amongst the evacuees is Dinesh, whose world has contracted to a makeshift camp where time is measured by the shells that fall around him like clockwork. Alienated from family, home, language, and body, he exists in a state of mute acceptance, numb to the violence around him, till he is approached one morning by an old man who makes an unexpected proposal: that Dinesh marry his daughter, Ganga. Marriage, in this world, is an attempt at safety, like the beached fishing boat under which Dinesh huddles during the bombings. As a couple, they would be less likely to be conscripted to fight for the rebels, and less likely to be abused in the case of an army victory. Thrust into this situation of strange intimacy and dependence, Dinesh and Ganga try to come to terms with everything that has happened, hesitantly attempting to awaken to themselves and to one another before the war closes over them once more.

Anuk Arudpragasam's *The Story of a Brief Marriage* is a feat of extraordinary sensitivity and imagination, a meditation on the fundamental elements of human existence?eating, sleeping, washing, touching, speaking?that give us direction and purpose, even as the world around us collapses. Set over the course of a single day and night, this unflinching debut confronts marriage and war, life and death, bestowing on its subjects the highest dignity, however briefly.
