## Waking from the Dream: The Struggle for Civil Rights in the Shadow of Martin Luther King, Jr.

David L. Chappell

In *Waking from the Dream* David L. Chappell—whose book *A Stone of Hope* the *Atlantic Monthly* called "one of the three or four most important books on the civil rights movement"—provides a sweeping history of the fight to keep the civil rights movement alive following Martin Luther King, Jr.'s assassination. Chappell reveals that, far from coming to an abrupt end with King's death, the civil rights movement continued to work to realize King's vision of an equal society. Entering a new phase where historic victories were no longer within reach, the movement's veterans struggled to rally around common goals; and despite moments where the movement seemed to be on the verge of dissolution, it kept building coalitions, lobbying for legislation, and mobilizing activists. Chappell chronicles five key events of the movement's post-King era: the passage of the Fair Housing Act in 1968; the debates over unity and leadership at the National Black Political Conventions; the campaign for full-employment legislation; the establishment of Martin Luther King, Jr. Day; and Jesse Jackson's quixotic presidential campaigns. With *Waking from the Dream*, Chappell provides a revealing look into a seldom-studied era of civil rights history, examines King's place in American memory, and explains how a movement labored to overcome the loss of its leader.

#### **Charles Sizemore:**

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library or make summary for some e-book, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Waking from the Dream: The Struggle for Civil Rights in the Shadow of Martin Luther King, Jr. can make you feel more interested to read.
