Ray and Roxy are two sweet and playful golden-yellow fish who enjoy helping others in the beautiful expanse of the ocean.

In this story, as they encounter various dangers and threats, they come face-to-face with new life-changing experiences, and they are forced to re-think what they thought they knew.

“*Wish Fish Book 2 – Endless Possibilities*” takes off where Book 1 left off, and the exciting adventure continues here. In this story, they challenge their own fears, self-doubts, and insecurities, and what they thought they understood about life shifts dramatically.

Everything changes for them, as Ray and Roxy help many others, face incredible new and terrifying dangers, break through previously-imagined limitations, learn from a Master, perform amazing feats, celebrate, and unleash their true inner joy. And, in the process, they discover that the real possibilities are astoundingly endless.

This is a beautiful and empowering story, filled with warm humor, which helps all of us learn to not hold ourselves back by outdated thoughts, fears, and perceived limitations, but to open and find that we are so much more than we thought we could ever be – and when we do that, the possibilities are truly endless.

Although this story is written for children, the meanings under the story lines, and the layers and metaphors are really powerful and meaningful for adults as well. This book is recommended for people of all ages, who would like their hearts touched by a sweet, uplifting story about discovery of the inner magnificence within all of us.

Excellent book for teaching children about joy, love, life, kindness, and amazing possibilities – great to have in your child’s library.

*And don't miss out – if you have not yet read the first book, the adventure starts with Wish Fish Book 1. See how Ray and Roxy’s story began in Book 1!*
